Product description

Color Name: Pink

As temperatures start to rise and summer approaches, One can't help but think about the question : "how can we best keep ourselves cool this summer?" This Portable, Rechargeable, Sleek Compact but very effective Mini Fan is the right Fit; you can carry it anywhere, use it anywhere as per your convenience. Though this product looks small and cute, its performance is simply surprising. It has 2 speed control and very good air throw. Product comes with Charging Cable and hanging cord; once fully charged it gives backup upto 3 hrs on Normal Speed and upto 2.5 hr on high speed.
